Subject: Exit Questionnaire Compliance Rates

## REQUEST & RESPONSE

### **What is your current exit questionnaire compliance rate?**

During the period July 2019 – September 2019, the exit questionnaire compliance rate was 24.4% of leavers who voluntarily left the Trust completing a questionnaire.

### **What is your current exit interview compliance rate?**

The Trust does not currently record this information.

### **Do you have a target compliance rate for either of the above? If so, how did you arrive at this figure?**

There are currently no set organisational compliance rates for these.
