Subject: Hospital parking

REQUEST & RESPONSE

1. Please state the current fee for parking at the trust for one hour. (If there is no specific fee for one hour, please state the lowest possible time and cost)

The current fee for parking for 1 hour is £1

2. Please state the fee for parking for one hour in 2018.

The fee for parking for 1 hour in 2018 was £1

3. Please tell me whether the hospital provides free parking for any of the following groups a) cancer patients b) disabled patients c) other patients who are frequent visitors to the trust d) the relatives of patients who are frequent visitors.

The hospital t will review individual cases on request

4. Please tell me if the hospital provides reduced parking for any of the following groups a) cancer patients b) disabled patients c) patients who are frequent visitors d) the relatives of patients who are frequent visitors

A weekly ticket is available to frequent visitors to the hospital which is at a substantially reduced rate, compared to the daily/individual visit charges.

5. If yes to question 4, please provide details.

Yes a 7 day weekly ticket is available

6. Please state how much the trust collected in parking charges and fines in:-

	17/18	18/19
	£	£
Staff	885,448	886,354
Visitor	1,286,632	1,365,576
Parking Fines	0	0
	2,172,080	2,251,930

All income is retained by the Trust to cover the direct costs of providing safe, secure car parking. The Trust does not make a “profit” from car parking charges, but seeks to ensure that car parking is self-financing and doesn’t require any cross subsidy from funds provided for patient care.

7. Does the trust hire any private firms to issue parking fines or clamp vehicles?

The car parking management service is provided by the Trust Facilities Management provider.

8. If yes to question 7, please provide the names of these firms
