Subject: Drug resistant infections

## REQUEST & RESPONSE

- How many cases of drug resistant infections (both bacterial and fungal) have there been at your NHS trust in each of the past five years (2018, 2017, 2016, 2015, 2014)?
- What were those infections?
- How many of those infections resulted in deaths?

Please could you break the results down by year, rather than providing them as one number?

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.
