Subject: EU staff leaving their posts

## REQUEST & RESPONSE

-How many EU nationals employed as full-time staff left their posts (e.g. either or resigned or quit) in the years 2014, 2015 and 2016?

-Please can I have this information broken down by HCHS doctors, nurses and health visitors and other staff?

I should prefer to receive these in electronic format at this email address.

It would be helpful if you were to provide any brief notes which might be necessary to understand the context of the information provided, although I recognise that you are not obliged to do this.

Regarding the below request, please could I clarify that I would only like data on non-UK EU nationals.

We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.
