REQUEST

A full breakdown of the number of non-disclosure agreements issued to staff at your NHS trust. I would like this breakdown to be broken up by year and to run from 2014-2019, so displaying the exact number of NDAs per year and if possible any refusals to sign. Any added info about NDAs signed should be added - if not possible please leave out (e.g. position held by staff who signed etc. would be appreciated). I would also like this breakdown to include the total cost of the NDAs issued each year, so total cost of NDAs per year. I would also like the number of staff in the trust for each year mentioned to be indicated.

I would like the above information to be provided to me as electronic copies (EXCEL).

If this request is too wide or unclear, I would be grateful if you could contact me as I understand that under the Act, you are required to advise and assist requesters. If any of this information is already in the public domain, please can you direct me to it, with page references and URLs if necessary.

If the release of any of this information is prohibited on the grounds of breach of confidence, I ask that you supply me with copies of the confidentiality agreement and remind you that information should not be treated as confidential if such an agreement has not been signed.
