Subject: Car parking charges

## REQUEST

Could you state, in accordance with the Freedom of Information Act, How much revenue did the Trust receive in car parking fees for the financial years 2016/17, 2015/16 and 2014/15?

Could you provide a breakdown of how much of each total was made up of visitor parking and staff parking?

What are the Trusts rates per hour and per day (can you indicate if this varies between hospitals in the Trust)? Is there any way to get a reduction in this rate?

Has the Trust increased the parking charge in the last two years and if so by how much?

If the Trust car parks are run by an outside firm and can you please say who that is?
