From: Public  
Date: 12/01/17  
Subject: Estates and Returns Information Collection submission.

## REQUEST

- A breakdown of the high-risk maintenance backlog, as of the most recent Estates and Returns Information Collection submission.
- A breakdown of the significant-risk backlog maintenance backlog, as of the most recent Estates and Returns Information Collection submission.
- A copy of all repots made to the HSE under RIDDOR in the last two years relating to accidents and dangerous incidents caused by buildings, vehicles and equipment.
- Details of how many times in the last two years the Trust has:
  - o Experienced a leaking roof in an area where patients are present and details of any incidents;
  - o Experienced a broken or leaking sewage pipe in an area where patients are present and details of any incidents;
  - o Contracted a pest control service and details of any incidents

## RESPONSE

- The Trust did not have any high or significant risk backlog maintenance to report in the most recent Estates Returns Information Collection data (2016/2017).
- The Trust has not made any reports to the HSE under RIDDOR in the last two years relating to accidents and dangerous incidents caused by buildings, vehicles or equipment.
- Over the past two years the Trust has not had any roof leaks or broken sewage pipes in areas where patients are present.

- Over the past two years there have been a total of 152 pest control incidents.
