REQUEST

1. How many data breaches have there been in your organisation since 2014?
2. How many of those data breaches related to email?

RESPONSE

The trust contributes to Organisation Patient Safety Reports through the National Reporting System

The latest national patient safety incident reports (NaPSIR; previously called Quarterly data summaries) can be accessed via <https://improvement.nhs.uk/resources/national-patient-safety-incident-reports-26-september-2018/>.
