REQUEST

We are a company called SPK Promotions, and we would like to require freedom of information on your company spend, annual usage and company currently supplying you with the clinical waste bag ties, or plain bag ties, this is normally handled by either procurement, supplies or porters, please can you also advise the person who we would deal with and their contact details.

We supply a lot of NHS trusts with these ties and find we have been making them savings, as we can supply cheaper than the current supplier, as we manufacture our own ties and print all in house, so we can be very competitive on price.

Please advise and we can issue a quote, and supply 1000 free printed ties for you to trial, and compare with your current product,
