Date:	17/10/18
Subject:	Complications after undergoing other forms of cosmetic surgery

REQUEST

(1) Please provide details of the cost of dealing with patients experiencing complications after undergoing the so-called 'Brazilian butt lift' procedure
(2) For comparison, please also the same information for those experiencing complications after undergoing other forms of cosmetic surgery, such as breast surgery, face lifts etc.

RESPONSE

We do not perform cosmetic procedures at this Trust as these are not funded by the NHS.
