

Ref no: 099180516
From: Commercial
Date: 18/05/16
Subject: Uveitis

REQUEST

In your Trust please supply the number of patients currently treated for Uveitis with a biologic treatment, including those on a Patient Access Scheme.

Please state the number of Uveitis patients treated, and where possible by each biologic drug:

- Adalimumab
- Etanercept
- Infliximab
- Rituximab
- Other biologics

How many Psoriasis patients have been treated in the last 6 months with Fumaric acid esters (Fumaderm), If your trust can't supply patients, please supply the number of packs of tabs

RESPONSE

Uveitis –the pharmacy system does not have the facility for recording the reasons that drugs were administered therefore we cannot answer the question.

For Fumaderm we have used the following in the last 6 months

32 packs each containing 40 x 30mg tablets
69 packs each containing 70 x 120mg tablets
