Subject: Procurement system

REQUEST & RESPONSE

What procurement system do you use? And is this also where you publish tenders?

Oracle (Purchase to Pay System)- we do not publish tenders on Oracle

We publish tenders on Contracts Finder and EU Supply as appropriate

Do you publish tenders anywhere else, if so where?

As above

How much do you pay per annum for your procurement software?

Oracle is part of the service provision provided by Shared Business Services and cannot be itemised as a unit cost.

What are the contract start and end dates with the provider and when will the next tender become available?

31st March 2023 is the end date. Date of next tender to be confirmed.

How long have you used this software for in total?

Since 2006

What are the purchasing rules of your organisation?

- 3 quotes for anything £10,000 - £50,000 including VAT
- Tender for anything £50,000- OJEU threshold
