Subject: Assessment and Treatment

REQUEST

1. How many ATU's are currently in use in your NHS Trust?
2. How many individuals kept in each one have learning disabilities / autism?
3. What are the current age ranges of individuals in the ATU's?
4. What is the average length of stay currently?
5. What is the longest any individual is currently being held for?
6. How many individuals have been admitted and sectioned whilst on there since the 2015 report, recommending closure of all such establishments?
7. What is the monthly and annual cost for each individual who is detained in these units?
8. Who owns the ATU's your Health Care Trust currently uses?

RESPONSE

This Trust does not have an ATU.
