REQUEST

I am writing to you under the Freedom of Information Act to request the following information from St Helens and Knowsley NHS Trust.

Please find attached in the excel document the specific questions that we are posing. The two questions that we are looking to find the statistics for under the act are:

1. How many cases have attended A&E with suspected carbon monoxide poisoning between 1st July 2016- 30th June 2017?
2. How many cases have been treated in A&E with suspected carbon monoxide poisoning between 1st July 2016- 30th June 2017?

Please provide the information in the form of the tables attached and within the age ranges specified.

RESPONSE

We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.
