Subject: DTOC and Missed Targets Fines

REQUEST & RESPONSE

1) What is the name of:

a) your trust

St Helens and Knowsley Teaching Hospitals NHS Trust

b) the hospitals run by your trust

Whiston Hospital and St. Helens Hospital.

2) What is the longest time (in days) one patient has remained in a bed at your trust due to delays in transfer of care (DTOC) from October 2016 to October 2018?

The longest time (in days) one patient has remained in a bed due to delays in transfer of care (DTOC) from October 2016 to October 2018 is 79 days (25/06/18 to 11/09/18).

3) What was the age of the patient (from question 2) and the reason for delay?

**The age of the patient was 92.
The reason for the entire delay was awaiting 'care package in own home'. An interim placement in a nursing home was offered at day 14 but refused, as the patient did not require 24 hour care and wanted to return to their own home.**

4) How much money has your trust been fined or had withdrawn/withheld for not meeting the percentage target for A&E waiting time (4 hours) in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018 - **£1,459k for the year**
- b) so far 2018 - **£3,846k**

5) How much money has your trust been fined or had withdrawn/withheld for not meeting the percentage target for referral to treatment time of 18 weeks for patients in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018 - **Nil**
- b) so far 2018 - **Nil**

6) How much money has your trust been fined or had withdrawn/withheld for not meeting the 15 minute target of handing over a patient from an ambulance to your hospital in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018 - **Nil**
- b) so far 2018 - **Nil**
