The information is typically held in the asset register kept by the EBME department (also called Medical Physics, Medical electronics, MEMS etc). If it is easier, feel free to send a copy of the register instead of filling in the form.

Please note:

- Where numerous purchases have been made over the years, please provide the date of the largest/ most significant purchase
- If you choose to send an asset register please ensure the document is editable (i.e. **not a PDF**) and contains the make, model, quantity and purchase date
