Subject: Use of RIPA in the Acute Trust

REQUEST

I would like to make a request under the Freedom of Information Act regarding the use of the Regulation of Investigatory Powers Act 2000 [RIPA] in the last 3 years.

NB: This refers only to cases where the Acute Health Trust has decided to use RIPA itself -- not cases where external bodies, such as the police, have made RIPA requests.

Could you please tell me:

- 1) How many members of staff (including former members of staff and locum staff working for the Trust) has the Trust investigated using RIPA powers? Please break this down by year.
- 2) What type of investigation was done under RIPA? E.g. copies of emails, internet history, etc?
