Subject: Virtual fracture clinic

## REQUEST & RESPONSE

- Do you currently have a 'virtual fracture clinic' / 'virtual triage clinic' / alternative to a traditional face to face appointment? **NO**
2. If so what is it called and when did it start? **N/A**
  3. Name and contact details of lead orthopaedic consultant/ consultant in charge of fracture clinic? **N/A**
  4. Number of new patient referrals per annum to fracture clinic? **CIRCA 5,500 REFERRALS**
  5. How much do you get paid per new patient "virtual" appointment? **N/A**
  6. What is your discharge percentage from the "virtual" appointment? **N/A**
  7. What software program do you use to run your virtual clinic? In-house or bought in? **N/A**
  8. If you don't have any virtual clinic, have you been considering/planning for one? **YES**
  9. Do all patients come to a generic fracture clinic? Or do A&E book into sub-speciality clinics e.g. acute knee, Paeds, hands etc. **GENERIC**
