Subject: Intravenous cancer drug therapies

## REQUEST

On average how many patients receive intravenous cancer drug therapies (includes monoclonal antibodies (mAbs)) on a daily basis across all hospital chemotherapy day units in your organisation/Trust?

## RESPONSE

We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.
