## REQUEST & RESPONSE

Could you please tell us how many members of staff have been signed off work through stress-related illness each year for the last five years?

Could you also include the total number of staff employed at the trust each year?

Response

The system does not differentiate whether this is home or work related stress.

The information covers the periods April to March in the years below:

Year	Headcount with Stress Related Illness	Total Headcount@ 31st March
2011-2012	328	4312
2012-2013	337	4389
2013-2014	396	4567
2014-2015	485	4921
2015-2016	540	5080
