REQUEST

I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect to the contracts or commissioned services below, and details of which can be found on the second page of this document:

The details we require are as follows:

 - Who were the suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages?*
 - Contract values of the above framework/contract (and any sub lots), year to date
 - Start date & duration of framework
 - What is the nature of the service/s provided?
 - Is there an extension clause in the framework/contract and, if so, the duration of the extension?

- Has a decision been made yet on whether the framework/contract are being either extended **or** renewed?
- Who is the senior officer (outside of procurement) responsible for this contract or service provision?
- If no contract/ framework is in place confirmation that these services are conducted in-house or outsourced to a third party provider
