REQUEST

Q1. Is your organisation connected via a private wide area network to other organisations (e.g. other trusts within your region or across your Local digital Roadmap / STP footprint?)

This includes dedicated site-to-site links, site-to-site VPNs and MPLS links but does not include connectivity which is solely via the national NHS N3 network.

Yes

Q2. Is there an Active directory trust relationship in place between your organisation and other NHS organisations in your local area?

Yes

Q3 - If all organisations with your Sustainability and Transformation Plan , or Local Digital Roadmap community (or Vanguard organisation if you are part of a Vanguard) are not currently connected via a private wide area network, is this planned in the next 2-3 years and what are the anticipated timescales?

n/a as per response to Q1

Q4. Please can you release a copy of your Local Digital Roadmap in which your Trust is participating. Please also include the detailed LDR plan that sit behind this for your particular organisation.

Under section 21 2 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust do not have to provide information to the applicant which is already in the public domain. The requested information can be found here -
