Subject: Antibiotic resistant NDM (New Delhi metallo- β -lactamase)

REQUEST

Can you please send details of any cases of antibiotic resistant NDM (New Delhi metallo- β -lactamase) "superbugs" you have reported to Public Health England in 2014, 2015 and 2016.

We are particularly interested in NDM-1, but would appreciate details of any other NDM incidents if available.

Please break the information down into the three years listed.

RESPONSE

No data available for 2014.

4 PCR NDM positives recorded in 2015 (3 unique patients).

20 PCR positives recorded in 2016 (8 unique patients).
