REQUEST & RESPOSNE

Implementation of NICE Technology Appraisal Guidance (TAG)

I am writing on behalf of Royal National Institute of Blind People (RNIB) to access information under the Freedom of Information Act 2000. This request relates to our work around preventing avoidable sight loss.

Please note that this request relates to secondary care ophthalmology services of your NHS Foundation Trust.

Many thanks in advance for your assistance.

1. Access to NICE approved treatments in ophthalmology

Is the treatment listed below routinely available to patients according to it's NICE TAG?

Please could you indicate by putting a cross in the applicable box below and sending the table back to RNIB? Confirmation means that patients do not have to use Individual Funding Requests to access this treatment.
