

Ref no: 073170214
From: Keele University
Date: 17/02/14
Subject: Breast Cancer Patients

REQUEST

The number of patients in your Trust diagnosed with breast cancer (also from 01/09/2012 - 30/11/2012).

The number of new referrals for breast cancer patients to see a psychologist (from 01/09/2012 - 30/11/2012),

How many WTE Clinical Psychologists worked in the Cancer Unit in 2012?

What was the typical time a patient with breast cancer had to wait to be seen by a Clinical Psychologist in 2012? (up to 1 week, 1-2 weeks, 2-4 weeks, 4-8 weeks, more than 8 weeks)

If you are unable to give me numbers for those date ranges please supply me with the data that you have for the whole year of 2012.

RESPONSE

The number of patients in your Trust diagnosed with breast cancer (also from 01/09/2012 - 30/11/2012).
