Subject: Intermittent Self Catheterisation

REQUEST

I am writing to request information under the Freedom of Information Act 2000. Please find details of our request below.

What formularies and/or guidelines exist for St Helens and Knowsley Hospitals NHS Trust with regards to the following?

- Intermittent Self-Catheterisation
- Collecting Device

RESPONSE

The Trust does not currently have a specific guideline or formulary for either Intermittent Self-Catheterisation (ISC) or collection devices but ISC is referred to in the Trust's generic Catheterisation Policy.
