## REQUEST

I should like to request the following information with respect to the **Cancer Drugs Fund** between the dates of **April 2011 to May 2014** inclusive:

1. The number of applications your trust has submitted for treatments using the Cancer Drugs Fund for each month, broken down by the drug used and the indication in which it was used.
2. The number of applications which were approved and rejected, broken down by drug and the indication in which it was used.
3. The monthly invoiced spend overall, and broken down by drug and the indication in which it was used.
4. Forecast spend to all timepoints that have thus far been calculated.
5. The destination of any underspent funds thus far.

I would appreciate if the information from the first 3 points could be provided in a similar format to the outline below (grey text indicating a fictional example of data):

Month and year	Drug	Indication	Number of applications for drug/indication combination	Number of applications approved/rejected	Invoiced spend (£)
April 2011	Fulvestrant	Metastatic Breast Cancer	2	2/0	1000
	Bendamustine	Myeloma	1	1/0	2000
	Bendamustine	Metastatic Breast Cancer	1	0/1	1000
<b>Total April 2011</b>	<b>2</b>	<b>2</b>	<b>4</b>	<b>3/1</b>	<b>4000</b>
May 2011	Fulvestrant	Metastatic Breast Cancer	1	Approved	1000
<b>Total May 2011</b>	<b>1</b>	<b>1</b>	<b>1</b>	<b>1/0</b>	<b>1000</b>

## RESPONSE

Questions 1-5 – Nil Response. All prescriptions are raised from Clatterbridge and all applications for Cancer Drugs fund are sent by them accordingly.
