The Trust does not specifically offer training to spot membership of gangs.

*The Trust cannot release actual figures for these individual years/categories as the numbers are so low. We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.
