Subject: NHS England

REQUEST

Please can you tell me how much money has been allocated to the trust from NHS England for specialised services for 2014-15?

RESPONSE

St Helens & Knowsley Teaching Hospitals NHS Trust is not in a position to currently release the information you require as Contract Negotiations for 2014/15 are ongoing and have not yet been finalised – it is anticipated that they will be finalised by 28th February 2014. The Trust has therefore decided to exempt the information from disclosure in accordance with section 22 of the Freedom of Information Act as it states that information is exempt information if it is intended for future publication.

Please contact us after the date above to request the information.
