RESPONSE & RESPONSE

Who is the Senior Responsible Officer for your EPR program/strategy?

Sandra Siwiak, Assistant Director of Informatics systems Intelligence

What system did you procure under the NPfIT (i.e Community and PAS/EPR)
Theatre System

What are your plans for replacing these systems once the NPfIT contract comes to a close?

Currently implementing replacement system

What is your strategy for integrating across primary and secondary care?

We are currently in the initial stages of a portal project

What is your strategy around sharing data?

- **Develop a strategy to integrate systems**
- **Retain and develop systems that work well**
- **Develop relevant cross system linkages**
- **Aim to use consistent language across LHC**
- **Provide relevant links to Primary and Community Systems**

What is your mobile working strategy, if applicable?

At Present business mobile working is a mixture of windows laptops and I pad using VPN access, However we are at present reviewing windows tablets.
