Subject: Year cost of compass medirest

REQUEST

I would like to request the total cost and a full break down of the amount of money the nhs payed compass medirest or any other linked umbrella company since they took over the in house agency at whiston hospital and St. Helens I would like all the information you have in any type of form and I would also like to know if any person or company were made payment from the nhs in regard to right for staff leaving whiston or St. Helens hospital

RESPONSE

The information requested in this FOI is specifically classed as commercially sensitive in our PFI contract for the project term (i.e. to 2047), and disclosure would put us in breach of Schedule 35.

With respect to your final question "if any person or company were made payment from the nhs in regard to right for staff leaving whiston or St. Helens hospital", I am unsure exactly what this means but I can confirm that NHS funds have not been used inappropriately to pay Medirest or their parent company Compass.
