REQUEST

I understand that the latter two bullet points in my request exceed the specified time limit, and would happily narrow them down:

Instead of:

- * All minutes of meetings of Trust personnel at which Trust policies, communications and/or guidelines related to induction of labour were discussed.
- * All email communications between Trust personnel and/or between Trust personnel and other public employees/officials (inclusive) that mention existing or proposed Trust policies and/or guidelines regarding induction of labour.

Could you please provide me with the information of:

- * All or some minutes of meetings of Trust personnel specifically concerning inductions of labour.
So for example, if you have had a meeting specifically addressed to discuss inductions of labour at your Trust, could you provide me with those minutes? If there are many, then you may limit the minutes to the most recent ones or as you see fit.
- * Simply forward around 5-20 emails where Trust personnel discuss inductions of labour.
So for example, I can imagine that before or after a meeting concerning inductions of labour, some Trust personnel will send emails to each other discussing the meeting or the guidelines.

RESPONSE

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of

complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.
