

Ref no: 093070617  
From: Public  
Date: 07/06/17  
Subject: Employee social media breaches

## REQUEST & RESPONSE

- How many employees have been investigated for social media breaches in the calendar years 2014, 2015 and 2016? Could I have the figures broken down by year please?

2014 = 0  
2015 = 3  
2016 = 2

- What position do/did they hold?

We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.

- Why they were investigated?

Inappropriate postings on social media

- The outcome of the investigation?

We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.
