Subject: Non-Pharmacological therapy for management of Dementia

REQUEST

Under the Freedom of Information Act 2000, I am requesting the following information on patient access to the following NICE-recommended non-pharmacological therapy for the management of dementia.

1. Are patients with dementia able to access any of the following therapies (i.e. from dementia services, memory services, memory clinics or mental health services within the Trust)?
 - a. Group cognitive stimulation therapy
 - b. Group reminiscence therapy
 - c. Cognitive rehabilitation or occupation therapy
 - d. Multi-sensory stimulation
 - e. Cognitive training

RESPONSE

These standards aren't relevant to this Trust. We don't provide the services listed in the request (dementia services, memory services, memory clinics or mental health services).

These standards are relevant to Later life and memory services contract holders which is North West Boroughs for our area.
