REQUEST & RESPONSE

I should like to request the following information, a summary of incident logs or equivalent relating to mortuary services, between the dates 01/01/17 to present day. I do not require any patient or staff details, just the nature of the incident. I would also like a summary of incidents reported externally i.e. CQC, HTA etc.

It would be helpful if you were to provide any brief notes which might be necessary to understand the context of the information provided, although I recognise that you are not obliged to do this. If for any reason you feel this request is unclear, please do not hesitate to contact me. If you are not the appropriate authority for this request, or for part of it, please let me know as soon as is convenient.
