Subject: Eating disorder clinics

**REQUEST**

I would like to request some information under the Freedom of Information Act 2000.

Please provide the names and addresses, including a postcode (and organisation code if easily accessible), of all eating disorder clinics that patients are currently referred to you at your trust.

In addition, please indicate for each eating disorder service whether they provide inpatient, outpatient, community services (or if a clinic provides a combination of these, each type of service provided).

**Please provide this in a spreadsheet with a file type ending in .xlsx with in the following table format:**

| Clinic name | Full address | Postcode | Type of service (inpatient, outpatient etc) | Organisation code |
|-------------|--------------|----------|---|-------------------|
|             |              |          |   |                   |

Please note that I am not requesting information on the numbers of patients being referred, or any other information which could be used to identify individuals, and nothing is being requested - or should be provided - which would make the request exempt under Section 40 of the Act.

Please also note that this information differs from data available on the NHS Direct website in that this information relates to services used within a specific CCG, rather than merely those that may be used by any CCG, and so is not exempt under Section 21 of the Act.

## RESPONSE

This acute hospital Trust does not provide services or clinics that treat these disorders.
