Subject: Mesh Implant Operations

## REQUEST

Many thanks for sending this through. However, questions 1 & 2 I asked for any type of vaginal mesh. You responded by saying you don't use vaginal mesh for prolapse repair or single incision sling mesh procedures. Trans obturator Tape, used for incontinence, is a type of vaginal mesh so could you please provide these numbers for those years requested?

## RESPONSE

	2016/17	2017/18	2018/19 Apr - Jul
Introduction of TOT/Transobturator tape	29	42	9
Introduction of TVT – tension free vaginal tape	1	0	0
Partial removal of Tension free vaginal tape	0	0	1
Removal of transobturator tape	0	1	0
Total removal of Tension free vaginal tape	0	0	0
<b>Total</b>	<b>30</b>	<b>43</b>	<b>10</b>
