Subject: Elective operations cancelled at the last minute

REQUEST

Under the Freedom of Information Act, I would like to request the total number of operations cancelled for non-clinical reasons, broken down by the cause of the cancellation, for example due to lack of beds, operating theatre capacity, staffing issues, and equipment failures, in 2018/19 (financial year, April to March).

In the total number of operations, broken down by cancellation reason, please include:

- Elective operations cancelled at the last minute. For the purposes of this request, last minute means on the day the patient was due to arrive, after the patient has arrived in hospital or on the day of the operation or surgery.
- Cancelled urgent operations.

If the data is collected by the trust, please also provide a separate total for each year for all operations cancelled for non-clinical reasons, regardless of how soon before the scheduled operation time the cancellation occurred.

Please send this information in a spreadsheet or CSV format.
