From: Public
Date: 09/08/19
Subject: Stop smoking services

REQUEST

I would like to please request information under the Freedom of Information Act, about the provision of in-house stop smoking services within the Trust. I am interested in finding out the following:

- a. Do you provide an in-house stop smoking service for patients?
- b. Are all in-patients who smoke able to be referred into this service?

RESPONSE

- a) The Trust does not provide an in-house stop smoking service but works closely with our local stop smoking services, who provide at least weekly on-site drop in sessions.
- b) The Trust refers patients who consent to the referral to community stop smoking services on discharge. Anyone is able to take advantage of the on-site drop in sessions, including patients, visitors and staff.
