Date: 07/04/17
Subject: Wound care formulary

REQUEST & RESPONSE

I am writing to request information under the Freedom of Information Act 2000. Please see below the questions with relation to my request:

Please supply me with your most up to date wound care formulary (please indicate if you do not work from a formulary)? **Attached**

Who has operational responsibility for the formulary including the addition or deletion of products? **Tissue viability/medicines management/ purchasing and supplies. Tender process for formulary award/contract**

Please provide information on how compliance with your formulary is enforced? **Only formulary products supplied by both top up and pharmacy**

Please provide information on how products are evaluated prior to being accepted onto the formulary? If this is part of a clinical evaluation or clinical trial, please provide the results. **Based on individual performance, we trial, use nice guidance and work with CCGs**

Please provide information on who is responsible for the cost of wound care in your setting – is it CCG or Acute? **Acute**

Please provide information if the wound care products are on prescription FP10? **All on FP10**

Please provide a list of the wound care products that you are planning to keep on prescription **attached**

Please provide information if you are planning to take wound care products off prescription **none**

Please provide a list of the wound care products that you are planning to take off prescription FP10? **none**

Do you hold information about your patient demographic? If so, please provide information on what is your patient demographic and what are the most commonly treated wounds from your patient demographic

Main areas are, Liverpool, Wigan, Warrington, St Helens, Knowsley

Wounds include, leg ulcers, pressure ulcers, no healing surgical wounds,infected wounds
