Subject: NHS staff workplace injuries/staff compensation claims for
slips/trips/stress/bullying

REQUEST & RESPONSE

Please send me information on the number and nature of compensation claims brought against your organisation by members of staff who have sustained an injury or contracted a disease while employed your organisation since January 2016 to the present time (last 3 years).

I would like a year by year breakdown, preferably on an excel document via email, detailing:

- Details of the injury (i.e. moving and handling injury, slips/trips/falls and so on)
- Staff role if known (i.e. staff nurse, doctor)
- Whether compensation was paid
- The total amount of compensation paid
- If information available, any action taking following the incident (i.e. additional training, non-slip flooring and so on)

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.
