Subject: Data security

REQUEST & RESPONSE

Under the Freedom of Information Act, I would like to ask for information on data security spending & training pertaining to St Helens and Knowsley Hospitals NHS Trust, on behalf of Redscan Ltd.

NHS trust name	City/town	The total number of full-time and part-time employees employed by your trust (as of 1st August 2018 or latest figures available)	The total number of full-time and part-time employees employed by your trust with professional data security / cybersecurity qualifications (as of 1st August 2018 or latest figures available)	The total number of full-time and part-time employees employed by your trust who have completed security training over the last 12 months (prior to 1st August 2018 or latest figures available)	How much money (in pounds sterling) has been spent on data security training during the last 12 months (prior to 1st August 2018 or latest figures available) this may include GDPR-related training
St Helens and Knowsley Hospitals NHS Trust	St Helens	Full time – 3444 Part Time - 2344	3	IG training is delivered as part of the Trust’s mandatory training, the content of which is aligned to the Core Skills framework.	We are unable to quantify this as staff throughout the Trust attend a number of courses which include and cover elements of Data Security Training.
