Subject: Urinary tract infections in children

REQUEST

I would be grateful if you would provide me with statistics for the following:

The number of children under 18 years, attending A and E more than once in a 12 month period with upper and lower urinary tract infections, also referred to as

Bladder infection, kidney infection, pyelonephritis and cystitis,

Broken down by year (Jan 1 to Dec 31st) for the years 2012 to 2017, at the St Helens and Knowsley Hospitals NHS Trust.

RESPONSE

The Trust does not hold this information in the requested format so is therefore unable to process this request any further.
