REQUEST

Thank you for your response, despite the trust having their own internal bank. The request is also asking for information on suppliers that support the trust in the management of their internal bank staff - inclusive of any software. Such as allocate, liaison, brookson etc.

Can you please review my original request and ensure that your response is still accurate.

RESPONSE

- Allocate
- Liaison

In terms of the cost of the licence fee for allocate, we paid £1,167 plus VAT in 2016/17 for a licence add on from Allocate for Bank staff.
