Subject: Car parking services

REQUEST

Back in 2006, you successfully procured a supplier for “Car Parking services”. As highlighted in the procurement pack, bidders should have been aware that their submission may be requested under the Freedom of Information Act. Subsequently, I would like to request copies of the quality submissions of the successful bidder.

I do not need to see the pricing or any other confidential information and would be pleased for any confidential information to be redacted in accordance with the bidder’s FOI disclosure statement.

RESPONSE

See attached Security and Car Parking Method Statement which was agreed by all parties as the method that the successful bidder would adhere to.
