## REQUEST

I would like to request details on the total pharmacy spend for Unlicensed Medicines (Specials), Named Patient Imports and Over Labelled Medicines for your trust over the past three years.

Please can the data be broken down to show the spend by year showing Unlicensed Medicines made in the UK and then Imported pharmaceuticals procured from outside the UK and Over Labelled Medicines.

Data in the following format would be most helpful:

YEAR	UK Manufactured Specials	Named Patient Imports	Over Labelled Medicines (TTA Packs)	Total Spend

2016				
2017
