* We are unable to provide the information you require as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under the Data Protection Act 1998. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the Act.

If your systems do not support the ability to split by treatment, please supply total treated by the genotype split. Similarly, if you are unable to split by genotype, please just split by treatment type.
