REQUEST & RESPONSE

- Do you provide accommodation for doctors who feel too tired to drive home after work? *Please note that we are not referring to doctors who are working 24 hour shifts who will clearly stay on site. This is referring to shift workers who work a shift in hospital and are usually expected to travel home afterwards.*

- Is this available to all doctors or only those working certain shifts?

The Trust has on-call rooms available which can be booked via the accommodation team/

- Can it be arranged at the last minute or can it only be pre-booked?

The doctor would need to discuss with the accommodation team as to whether a room is available and they will do what they can to accommodate the doctor's needs.

- Is this accommodation free or charged for?
