Subject: Non-UK EU nationals

## REQUEST

1. How many non-UK EU nationals employed as full-time staff left their posts (e.g. either or resigned or quit) in the years 2014, 2015, 2016 and 2017?
2. Please can I have this information broken down by role and year? (Eg doctors, nurses and health visitors)
3. It would be helpful if you were to provide any brief notes which might be necessary to understand the context of the information provided, although I recognise that you are not obliged to do this.
