

Ref no: 072090218  
From: Commercial  
Date: 09/02/18  
Subject: Paediatric asthma treated patients

## REQUEST

1. In your trust, in the past 3 months [latest 3 months available], how many asthma patients aged 18 and over have been treated?
  
2. How many paediatric asthma treated patients [aged 6-17] have been treated?
  
3. How many severe asthmatic patients [BTS guidelines, step 4 or 5] have been treated?
  
4. How many severe allergic asthma patients [severe persistent confirmed allergic IgE-mediated asthma OR severe persistent confirmed allergic eosinophilic asthma] have been treated with:
  - Omalizumab [Xolair]
  - Mepolizumab [Nucala]
  - Reslizumab [Cinqaero]
  - Benralizumab [Fasenra]
  - Other [Please state]

5. How many paediatric severe asthma patients treated with Xolair/omalizumab?
6. How many asthma clinics are run per month?
7. What is the average number of severe asthma patients per clinic?
8. Do you treat non asthma patients with Omalizumab [Xolair]?  
If yes, how many of for what condition?

## RESPONSE

1. In your trust, in the past 3 months [latest 3 months available], how many asthma patients aged 18 and over have been treated?  
  
Only inpatients are coded with being diagnosed with Asthma. This does not indicate that the inpatients spell was directly due to their asthma so as a result we are unable to provide you with the requested information.
2. How many paediatric asthma treated patients [aged 6-17] have been treated?  
  
As above
2. How many severe asthmatic patients [BTS guidelines, step 4 or 5] have been treated?  
  
As above
4. How many severe allergic asthma patients [severe persistent confirmed allergic IgE-mediated asthma OR severe persistent confirmed allergic eosinophilic asthma] have been treated with:
  - Omalizumab [Xolair]

- Mepolizumab [Nucala]
- Reslizumab [Cinqaero]
- Benralizumab [Fasenra]
- Other [Please state]

We do not hold this information

5. How many paediatric severe asthma patients treated with Xolair/omalizumab?

We do not hold this information

6. How many asthma clinics are run per month?

We do not hold dedicated asthma clinics. Asthma patients are treated in the General Chest Outpatient clinic there are 8 clinics per week.

7. What is the average number of severe asthma patients per clinic?

We do not hold this information

8. Do you treat non asthma patients with Omalizumab [Xolair]?

We don't initiate ant treatment with Olamizumab or related drugs-they are all initiated in Tertiary Care.
